Presidents Report – July 2010

We only have a short report this month. The competition topic is INTERIOR OF A BUILDING – An image showing some part of the interior of a building. Using either the existing illumination, or lighting under the control of the photographer.

Our Judge for this competition will be the team from Camera Electronic Sales (CESCO) with Howard and Saul leading the judging. CESCO are great supporters of camera clubs in Western Australia, so please make the team welcome.

STUDIO LIGHTING WORKSHOP

Don't forget that on the 26 July we will be holding a studio lighting workshop at the Netball hall. The workshop will cover a range of topics including: using studio strobes, light modifiers, lighting patterns, flash metering, contrast ratios, and remote triggers. I will be calling for volunteers at the club meeting to help with tuition on the night. This workshop has been very popular in the past, so come along and see how it's done.
