Presidents Report – June 2011

The topic for this month is:

HIGH KEY - An image which consists of light tones only- with the exception that some small area may be black or near black. The photograph should be planned as a high key shot from the beginning and not produced by under exposing the print.

Please ensure your images are in before 7.20pm. No images will be accepted after this time.

WORKSHOP – DALE NEILL

August 13th - 10am-5pm Intermediate Digital, \$75

August 14th – 10am-5.30pm Pre-flight Checklist for Landscape Photography, Pre-flight Checklist for Portrait Photography and a presentation on How to win Photography Competitions. \$75

More details regarding the workshops will be available on the website soon. We are taking bookings at the next Meeting on Monday 13th June. Please bring your money as each workshop only has 20 participants and it will be on a first come basis. Check out Dales website www.wildheart.com.au and you will see that these workshops are extremely good value.

BUDDY SYSTEM

To help all our new members, the committee would like to start up a 'Buddy System' on club meeting nights. To achieve this we would like members who are willing to participate in a 'buddy system' to register their camera/make/model and their level of experience i.e experienced or beginner, next meeting night. The aim is for our more experienced members to help our less experienced members with learning how to operate their cameras.
